

# You Deserve The Best Cocktail mix!

## LOW-CAL, SUGAR-FREE MARGARITAS:

Baja Bob's Original Margarita Mix

"Being from Texas, I love a good Margarita," says event planner Steve Kemble (SteveKemble.com). "And this

is the ultimate Margarita mix; it's sugar-free yet it tastes the same as—if not better than—a drink you would make from scratch. I brought it to a party and once people started complimenting me on it, I

told them, 'Can you believe it? It's sugar-free!'

Everyone was amazed—I really don't think there's anything better."
