

## Your Two Cents: Is It Better to Regift or Give Nothing at All?

Wed, 06/18/2008

It's conservative to say that wedding season can be costly when usually it's ridiculously expensive. Sometimes we receive gifts that may not be suitable for our tastes, but when it comes to regifting **Steve Kemble**, star of Style Network's **Whose Wedding Is It Anyway?** and **Married Away** says, "What makes you think someone is going to want a gift you did not want? Plain and simple, regifting is tacky! If you do not have the time to think about what a couple would really want then don't give anything at all."

For some people regifting is more about not being able to afford a new gift than being thoughtless, but would it really be better to give nothing at all?
